

Dear Parishioners and friends,

These days of confinement and isolation have certainly been challenging for us all. I have had the opportunity to speak with some of you on the phone or to communicate via e-mail - but it is not the same as seeing you, shaking hands, or simply exchanging smiles. I think what I miss most of all is being with you at Mass and distributing the Eucharist.

When we record our Mass I try to imagine seeing you through the camera... it sort of reminds me of Romper Room with Miss Barbara: "I see Julie and Tommy and etc. as she looked through her magic mirror. *(If you don't know what I am talking about, then you are too young!)*

If there is anything St. Julie's can do for you while we wait to return to some sort of new normal, please call. While I cannot come visit in person, I want you to know I am still here wanting to serve as your priest in whatever capacity I am able. Thank you for all you do and remember: "We are all in this together".

*Father George*
